Inclement Weather Procedures:

As we begin the winter season we wanted to ensure all families are aware of the forms of communication APS will use when a decision is made to have a delayed opening or close for the entire day. Below are the communication channels that APS uses:

- * Visit the website at www.apsva.us
- * Check for an email update or text alert from APS School Talk.
- * Follow us on Facebook, Twitter and Instagram. Turn in for news updates on major English or Spanish television & radio stations.
- * Look for announcements posted on AETV: Verizon Channel 41 or Comcast Channel 70.
- * Call the APS Hotline at 703-228-4277 to hear a recorded message in English or Spanish.

For More information on snow-related closing, delays, and emergency updates, visit <https://www.apsva.us/emergency-alerts/>
If there is a two hour delay, school begins at 11:00.

Ms. Walsh will be out on Maternity Leave beginning December 10. During her absence we will have support from Elizabeth Rowden from the Department of Teaching and Learning and Frank Haltiwanger, retired Principal from H.B. Woodlawn. We wish Ms. Walsh the best during her maternity leave and look forward to having her back at Henry later this spring.

ARLINGTON BookShelf

The Arlington BookShelf (ABS) is an organization supported by Arlington Public Schools and DreamDog Foundation which provides free access to books for students. Our bookshelf is located by the Highland Street door. The directions are simple. Find a book to take home, borrow for as long as you wish, and then return the book to the bookshelf when you are done. There is no checkout system. There are donation boxes located by the bookshelves if you wish to donate to the project.
